

## REFRIGERATED BASE

---

A refrigerator base can be supplied for all size broilers, range tops and grill tops, which enables the operator to have a supply of menu items close at hand. The refrigerator base can be made with drawers and/doors. The complete unit is stainless steel, with coil wrapped (coldwall) construction. Compressor is extra. There are four standard sizes available for Char Broilers:

Size	Number of Drawers	Item Number	Shpg. Wt.
24"	2-Drawers	107-REFG24	125 lb.
32"	4-Drawers	107-REFG32	140 lb.
40"	4-Drawers	107-REFG40	155 lb.
48"	6-Drawers	107-REFG48	170 lb.

Custom sizes are available for range tops etc. Illustrated above is a 36" wide, four drawer unit for use with 6 open burner range.
